ABOUT US

Satinel System is a company that has been working in the Information and Communication Technology sector for over 15 years, both in Cádiz and in the rest of Spain. That is why year after year we have been recycling and adjusting to the times that are currently running.

Little by little we were growing and expanding our services, adding the development of corporate websites, mobile applications, social media management and everything necessary for communication and the growth of any company.

MISSION

We offer information technology services: computer systems and application development, being our maximum computer security. We help companies in the performance of their work as well as promote their business development with our social media and communication department. We go to the small and medium company, giving support every day of the year at a competitive price.

VIEW

After years of experience we have grown and become more professional every day. Our aspiration is to continue giving IT support to all our clients and grow nationally.

VALUES

Responsibility
Seriousness

Daily work

OUR PRIORITY
THE SECURITY OF YOUR BUSINESS

SERVICES

All our services, based on our fundamental pillars:

S+D+S

Systems, development and security

COMPUTER AUDIT

We improve the productivity of your computer systems.

The best way to optimize your IT resources is to perform an audit to assess your current situation.

COMPUTER MAINTENANCE

The maintenance service we offer makes available to all our customers a quality service, adapted to the needs of each company according to their requirements, in the hands of the best professional technicians with whom to gain in risk prevention and guaranteed reliability.

INFORMATIC SECURITY

With our Computer Security Certification System, you can maintain the security of your company 24 hours a day, 365 days a year.

CUSTOM-MADE SOFTWARE DEVELOPMENT

Custom-made software allows us to optimally manage a company, and the management processes that take place in it. We make all kinds of computer solutions: Web pages, Software,...

CLOUD SERVICES

We offer our clients a wide range of services in the Cloud that range from virtualization consulting to cloud services with the highest security standards.

NETWORK ADMINISTRATION

We keep your company's network operational, constantly monitored with an emphasis on security. In addition to making efficiency improvement plans and carry out the necessary documentation.

BACKUP MANAGEMENT

One of the services that we want to offer our clients is the complete protection of their data as well as the possibility of recovering them to guarantee complete peace of mind in case they suffer the possible loss of sensitive documents.

HOSTING MANAGEMENT

We provide all our clients with a complete hosting system based on their needs.

DOCUMENTARY MANAGEMENT

We take care of storing and organizing private and public documents of your company, as well as giving access from anywhere under strict security guidelines.

DEVELOPMENT OF APP FOR MOBILE

We help you create customized solutions that best adapt to the needs of your business.

DATA RECOVERY SERVICE

WE OFFER YOU THE UNIQUE OPPORTUNITY TO RECOVER THE DATA OF YOUR CLIENTS.

Currently, the data we store on our devices is invaluable. Only imagine the disorder that would cause us loss makes us realize how valuable they are. We can recover the data of your clients, regardless of the support (Hard Drives HDD, RAID Systems, Smartphones, Pendrivers, CD-DVD, SD Cards, Compact Flash, BackUp Tapes ...) and whatever the cause: virus, damaged device, deleted of files, sabotage, fires, floods, lost partitions, voltage peaks, mechanical failure ...

BRAND IMAGE SERVICES

SEO

Your website among the best positions of the most relevant search engines that are currently on the network.

SOCIAL MEDIA

Social networks have become one of the main communication channels of the current era and it is for this reason that companies must be present in them.

BRAND AND DESIGN

We work to offer a wide range of services in Branding and Design offering you the best guarantee and care for your brand.

EVENTS AND STAND

We have a graphic production company and a product company for stands. Together, we can offer an integral service from the design of your stand, its assembly, until its final disassembly and thus guarantee the maximum quality and service...
